

Secretary's Diary Kalbar Show

COLD,COLD, COLD!, The morning started below zero, and thankfully warmed up around lunch time; after we had washed and cleaned the cattle. But the children and cattle soldiered on, and we had another great day. The other cattle breeders are getting used to seeing us now, and we don't get so many jibes!, the public continue to be very interested and curious. I have sold the heifer, to a lovely lady, who is taken by the breed, and she too comes to the shows, keeping an eye on her prize, and helping the kids out. We are becoming quiet a 'family', and it's lovely to be part of it. The next show on the calendar is Laidley Show, but I'm not sure if we'll be going yet. It is confirmed that our President:- Lesley Slade, will make the long drive down from Prosipine, to show her cattle with mine at the Beaudesert and Beenleigh Shows, so it should be a good competition, for any of you blood thirsty spectators!. Till I write again, take care, keep warm, maybe we'll see you at a show?. Vicky
